

EUSDR Priority Area 10 "Institutional Capacity and Cooperation"

## Webinar on EUSDR Strategic Topics: Cross Border Services

Tuesday, 27<sup>th</sup> September 2022; 09:30 am

Online

### Cross Border Services in the Danube Region

Cross-border Public Services (CPS) address joint problems or development potentials of cross-border regions. This includes the big common challenges like nature conservation and jobs, but it also includes aspects that would not exist without the political and administrative borders.

We are happy to welcoming you to our webinar including insights in the current state of research, practical knowledge of good practices and helpful funding opportunities!
